Dear Brothers and Sisters in Christ;

Does your parish need to expand it's current church, refinance an existing loan, or even purchase a new church?

We can help.

OCCIF supports the growth of the Orthodox Church through capital improvement financing to parishes, missions, and monastic communities in the United States. At OCCIF, we bring together decades of professional expertise in the areas of real estate, financing, banking and construction related services to provide the best council and oversight for all loan applications.

How OCCIF Works

Our resources for this service comes from loans and donations made to OCCIF. This invested capital translates into new loans to purchase, build, refurbish, or refinance Orthodox ministries throughout the United States.
