

We just wanted to say ... Thank You!

Dear Brothers and Sisters in Christ;

This August brings to a close our Investment Certificate Program (ICP), which we launched at the 2019 All American Conference in St. Louis. The ICP has been an extraordinary learning and growing experience for us, and has brought more people together to support our ministry than ever before.

We want to thank the many people who participated in this grand undertaking, whose investment in OCCIF provided the increase needed to support the growth of our Holy Church.

We have already been asked when we plan our next ICP. While this won't be something that we will do immediately, we look forward to offering another exciting investment opportunity in the future. In the meantime, we continue to work with institutions and individuals using promissory note agreements.

Our commitment to this ministry continues without hesitation, and we will be out at meetings with many of you over the coming months. We are also working towards getting greater collaboration across the jurisdictions of our Holy Church.

I would also like to thank everyone on the board of OCCIF, all of whom went beyond the call of duty, putting in a huge amount of effort into creating and promoting the ICP throughout the year.

As always, thank you for supporting and participating in our ministry with your

investments and donations!

John Della Monica
President, OCCIF

A FEW SPECIAL CREDITS

I also wanted to give thanks to some special people that worked with OCCIF to make the ICP a reality...

SCOTT ADAMS - LEGAL COORDINATION

Scott Adams was our main liaison between OCCIF and our law firm Davis Wright and Tremain. Scott's commitment to making sure we did everything correctly was invaluable as we navigated the arcane, obscure, and often frustrating world of financial investment offerings. We appreciate all of his work, especially as - on top of his work as a lawyer, husband and father - Scott prepared for his new duties as a Deacon of his church.

REV. FR. STEPHEN OSBURN - ONLINE BANKING DEVELOPMENT

Father Stephen was critical during the ICP, designing and creating not only the main OCCIF and ICP websites, but also working with our banking partners to develop an incredibly robust and secure online banking system. All while taking on his first assignment as the Rector of St. Mary's Holy Dormition Orthodox Church in Calhan, Colorado! Above Father Stephen is with his daughter Zoe, who is in training to be a master programmer and an eclectic sports fan!

ERIK HOLSINGER - VIDEO AND MARKETING PRODUCTION

Erik Holsinger is OCCIF's media marketing secret weapon, Erik has worked with OCCIF for over three years, finely crafting our marketing messages and creating videos where OCCIF clients and investors share their experiences in working with OCCIF. For the ICP, Erik worked with us on everything from the design of the logo, the development of all of our print materials, and producing/directing/editing our ICP Video presentation.

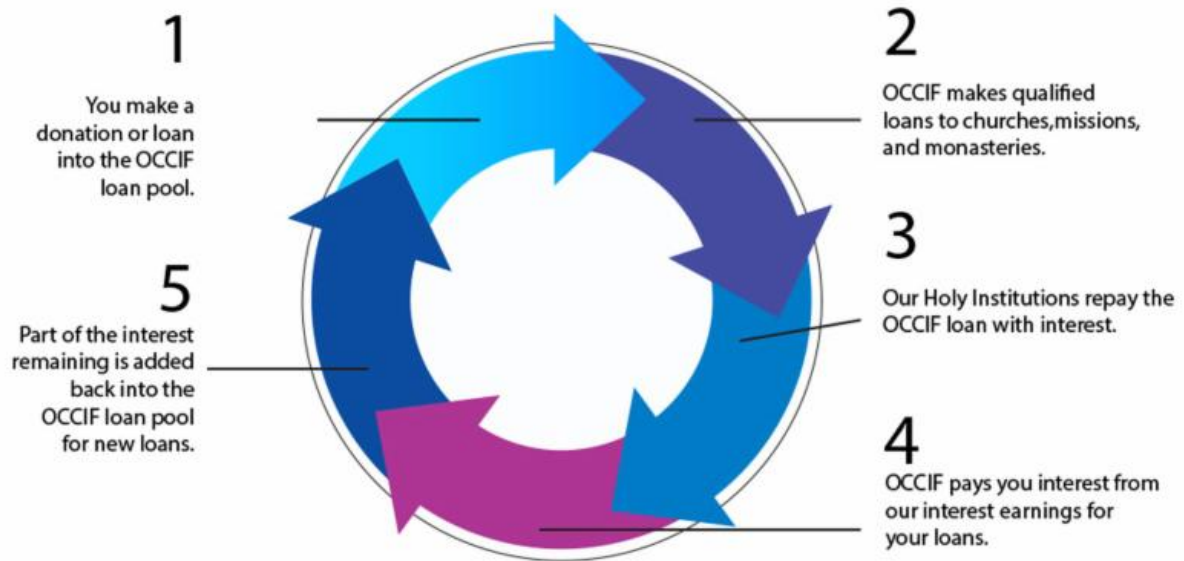

THE MAKING OF THE ICP: THE MOVIE!

The ICP didn't just happen overnight. We've put together a video to show some of the work behind this major effort, as well as some fun "behind-the-scenes" footage that didn't make it into the final production.
